On receiving the letter of permission from "Kirloskar brothers private Ltd", 33 students with 3 faculty members (Mr. R.Selva kumar, Mrs.A.B.Evangelin and Mrs.P.Baby shola) went on an industrial visit to the factory on 23/02/2017. We all assembled at the college at 6.00 a.m. and left the college in a bus. We reached the factory at 9.00'clock. It was a good experience, which has provided exposure to the final year students with industrial life. We got more knowledge and ideas related to manufacturing & Testing of the electronic components. We express our thanks to the Management, Director, Principal and Head who permitted us to go on the visit, the faculty members who accompanied us and the officials who explained the various departments. Behalf the students I request you to arrange more industrial visit for students which can practically train the students.
