## Alumni Association

An alumni association is an association of graduates or more broadly, of former students. These associations often organize social events, Publish newsletters or magazine. Many provide a variety of benefits and services that help alumni maintain connections to their educational institution and fellow graduates. Today, alumni associations involve graduates of all age groups and demographics.

### Objectives:

- To keep a roster of all alumni of college and their pertinent data.
- Maintaining the updated and current information of all alumni
- To encourage, foster and promote close relations among the alumni themselves.
- To promote a sustained sense of belonging to the alma mater, its graduates, faculties and students to the Alumni
- To guide and assist alumni who have recently completed their courses of study.
- To keep them engaged in productive pursuits useful to the society
- To provide a forum for the alumni for exchange of ideas on academic, cultural & social issues of the day by organizing & coordinating reunion activities of the alumni
- To let the alumni acknowledge their gratitude to their alma mater.

### Activities

- Platform for meeting and exchange of ideas among the alumni
- Assist students for career guidance program
- Technical seminars by alumni in reputed organizations
- Keep alumni posted through the website
- Getting feedback for constant improvisation

## Alumni Association Minutes

The alumni association meeting was held on 22-9-2018. It began with a tamil thaai vazhthu by students. Dr. Suresh Premil Kumar, Principal of Stella Mary's College of Engineering welcomed the gathering and inaugurated the alumni association. The significance of alumni association in an institution and its benefits were explained by him.

Office bearers for alumni association were selected. President—Rakesh I.P (MECH); Secretary—Aswini (EEE); Treasurer —Michael Roshit Vianyi (ECE). The following members were assigned as department representatives for alumni association.

1. Mr. Ragin (Civil)
2. Mr. Selva Reegan (CSE)
3. Mr. Pradeep (ECE)
4. Mrs. A. Darcy Gnana Jegha (EEE)
5. Mr. Michael Raj (Mechanical)

The Head of various Departments gave suggestions and ideas for the betterment of the established association. Students shared their experiences in and out of Stella Mary's College of Engineering. Mr. Kishore Dery, from the department of Mechanical, explained the importance of 'Piping', autocad, 2D –pipe routing and 3D-BDMS (Brand Design Management System). He talked about the use of valves in piping and its uses in layout preparation.

Mr. Sabarish, from ECE talked about soldering and how it is important in different fields. Ms. Anugraha, from IT said that learning the basics is not enough. Practical exposure is essential and individual learning in project should be encouraged.

Mr. Naveen Anush from CSE suggested that the syllabus should be vast and not limited. Also he mentioned SISCO and the need for students to learn networking, graphical designing; JAVA & Python. He stated that one should have a good knowledge in programming.

The meeting was very successful and came to an end with the vote of thanks delivered by Dr. Freeda, Head of the department of Science and Humanities.

## ALUMNI ASSOCIATION REPORT

The alumni association meeting was held on 22-09-2018. It began with a Tamil thaai vazthu by students. Dr. Suresh Premil Kumar, Principal of Stella Mary's College of Engineering welcomed the gathering and inaugurated the alumni association. The significance of alumni association in an institution and its benefits were explained.

Office bearers for alumni association were selected. President -Mr. Rakesh LP (MECH); Secretary -Ms. Aswini (EEE); Treasurer -Mr. Michael Roshit Viani (ECE). The following members were assigned as department representatives for alumni association:

1. Mr. Ragin, Assistant Professor (Civil)
2. Mr. Selva Reegan, Assistant Professor (CSE)
3. Mr. Pradeep, Assistant Professor (ECE)
4. Mrs. A. Darcy Gnana Jegha, Assistant Professor (EEE)
5. Mr. Michael Raj, Assistant Professor (Mechanical)

The Head of various departments gave suggestions and ideas for the betterment of the established association. As per the request of the principal to the students to share their exposure and training to be given to the students related to the field, the following students shared their experiences in and out of Stella Mary's College of Engineering. Mr. Kishon Dery, from the Department of mechanical engineering, explained the importance of piping, autocad, 2D-pipe routing and 3D-BDMS (Brand Design Management System) and the need to give training to the students in this field. He talked about the use of walls in piping and its uses in layout preparation and requested to give knowledge to the students about the topics.

Mr. Sabarish, from ECE talked about the need for soldering and how it is important in different fields. Ms. Anugraha, from IT said that learning the basics is not enough. Practical exposure is essential and individual learning should be encouraged as it is very essential in project.

Mr. Naveen Anush from CSE suggested that the syllabus should be updated as per the latest technology requirements. Also he mentioned about SISCO and the need for students to learn networking, graphical designing, JAVA & Python. He stated that one should have a good knowledge in programming.

The meeting came to an end with the vote of thanks delivered by Dr. Freeda, Head, Department of Science and Humanities.
