Aptitude and Soft Skill training Programme [2018-2019]

REPORT

This training course conducted from 07-01-2019 to 09-01-2019 for the third and second year students of our college. The objective of this training programme is to make students ready for campus placement programme by enhancing and polishing his technical and soft skill. This training is focus on following areas:

- Aptitude (arithmetic , logical reasoning)
- Resume Preperation
- Interview technique

This course makes students ready for campus placement season. We have organizing this training module with the help out side training partner Next Vision Solutions. All trainers were very experienced & industry exposed.

Aptitude Training

The concentration is given to strengthen the student's quantitative, verbal and reasoning skills. The first filtering round conducted by most of the companies is aptitude test , hence it is a crucial round to clear in order to proceed to further rounds of interview. The objective is to exercise the third year student's brain and prepare them for placement with common topics as mentioned below. Speed, agility, decisiveness and time management plays a crucial role while attending the exam. Training includes mock tests conducted online to prepare the students with real life scenarios.

Soft Skill Training

This soft skills workshop module were taken for second and third year students of all stream like CSE,ECE, Mechanical, Civil & Electrical. This workshop was focused on module of Goal Setting & Self Motivation. The idea behind organizing such workshop was to make students understand importance

of their goal & vision at early stage of their studies & education so that they can plan their career well. This workshop was divided into 4 sessions of 2 days. This module of training was covered by expert consultancy Mr. Rajan, Director of Next Vision Solutions and the trainer having very vast experience in conducting such type of module in Corporate & education institute.
