Aptitude and Soft Skill training Programme [2017-2018]

REPORT

This training course started from 24-08-2017 to 28-08-2017 for the second, third and final year students of our college. The objective this training programme is make students ready for campus placement programme by enhancing and polishing his technical and soft skill. This training is focus on following areas;

- ✓ Aptitude (arithmetic , logical reasoning)
- ✓ Communication skill
- ✓ Interview technique
- ✓ Corporate Behavior

This course makes students ready for campus placement season. We have organizing this training module with the help out side training partner Waysopen academy. All trainers were very experienced & industry exposed.

Aptitude Training

The concentration is given to strengthen the student's quantitative, verbal and reasoning skills. The first filtering round conducted by most of the companies is aptitude test , hence it is a crucial round to clear in order to proceed to further rounds of interview. The objective is to exercise the student's brain and prepare them with common topics as mentioned below. Speed, agility, decisiveness and time management plays a crucial role while attending the exam. Training includes mock tests conducted online to prepare the students with real life scenarios.

Soft Skill Training

This soft skills workshop module were taken for Second year students of all stream like CSE,ECE, Mechanical, Civil & Electrical. This workshop was focused on module of Goal Setting & Self Motivation. The idea behind organizing such workshop was to make students understand importance of their goal & vision at early stage of their studies & education so that they can plan their career well. This workshop was divided into 10 sessions of 5 days. This module of training was covered by expert consultancy Mr. Sekar , director of Waysopen academy and the trainer having very vast experience in conducting such type of module in Corporate & education institute.
