## ACADEMIC YEAR (2018-2019)

Dr. M.Manohara Singh,  
Director

To  
The District Collectors/Chairperson, DRDA  
(Cuddalore, Kancheepuram, Kanniyakumari, Nagapattinam, Pudukkottai, Ramanathapuram,  
Thanjavur, Tirvarur, Thoothukudi, Thiruvallur, Tirunelveli and Villupuram Districts)

RC. No. 295/ A2 / 2019 Dated 15.02.2019

Sir/Madam,

Sub **CBDRM** – Review Meeting by Additional Chief Secretary and CRA on 11.02.2019 – Instructions issued to augment the capacity building of First Responders under CBDRM – Workshop scheduled to revisit the CBDRM activities at SIRD & PR during 19<sup>th</sup> and 20<sup>th</sup> Feb.2019 - Request to depute participants as per the annexure to SIRD & PR - Requested - Regarding.

Ref 1. Letter from the Commissioner, Disaster Management and Project Director (CDRRP), Chennai EAP/405/2018, dated 25.01.2019  
2. Instructions issued during the Meeting of ACS/CRA dated 11.02.2019.

The CBDRM (Community Based Disaster Risk Management) is being implemented in 561 vulnerable coastal habitations of 262 Village Panchayats, covering 45 Blocks located in the 12 coastal districts of Tamil Nadu. The project is a sub-component of CDRRP (Costal Disaster Risk Reduction Project) of Government of Tamil Nadu implemented with assistance from World Bank. CBDRM is implemented by Rural Development and Panchayat Raj Department, through SIRD&PR. The field implementation is done by the District Administration through the District Rural Development Agency in the Districts.

A review Meeting with the Head of the Departments/Implementing Agencies carrying out the sub-components of CDRRP was conducted on 11.02.2019, chaired by the Additional Chief Secyary and Commissioner of Revenue Administration. The meeting was attended by the Director, SIRD&PR and the Faculty Member, on the implementation of CBDRM. The CRA has issued instructions that the CBDRM should concentrate more on capacitating the First Responders, who shall assist the community during disaster emergencies.

In this connection the Additional Chief Secretary and Commissioner Revenue Administration informed the Director, Gaja Reconstruction, Rehabilitation and Rejuvenation Project (GRRRP), to have detailed discussions with SIRD&PR on the training programmes are being conducted at present and to revisit the same and to adopt such activities which suits well in the time of disaster risks. Accordingly, detailed discussions were held and it was instructed to conduct a Review Workshop with the stakeholders from the affected areas.

The Objective of the Workshop are as follows:

1. To summarise all activities so far done under CBDRM, as per the Govt. Orders, Guide Lines, Minutes of Meetings & Instructions issued and compile the experiences of the primary stakeholders.
2. To study the usefulness of skills imparted through CBDRM training to various Teams formed in the vulnerable coastal habitations covered under CBDRM.
3. To find out from the victims/CBDRM Primary stakeholders from the disaster affected areas on the need for Training, its type, methodology, duration, Resource Persons, etc.
4. To finalise the activities, based on the felt needs of the primary stakeholders and submit to TNSDMA for approval to take up such activities with the funds already made available to the Districts Administration.

It is requested that the participants may kindly be selected as per the annexure and deputed to SIRD&PR to attend the Workshop during 19-20, Feb.2019. The Travelling expenses for the members of the Community from their village to SIRD&PR back may be met from CBDRM funds already available with the Districts, as per eligibility and norms.

All the participants and officers may be instructed to report to SIRD&PR on 19.02.2019. SIRD&PR is situated on the GST Road at Maraimalainagar between Tambaram and Chengalpattu, well connected by road and rail. Boarding and lodging are provided by SIRD&PR in the campus. Any further clarifications in this regard may be got from mobile number 9384850177.

### **Blood Donation Camp**

A blood donation camp was organized by STELLA MARY'S COLLEGE OF ENGINEERING, ARUTHENGANVILAI, AZHIKAL, on 17th October 2018. A team of 11 doctors and nurses of Blood Bank came for collection of blood from Kanyakumari Medical College, Asaripallam, Nagercoil. The event started with 'Tamil Thai Valthu' by Volunteers of NSS and YRC, welcome Address followed by Dr. Suresh Premil Kumar (Principal, Stella Mary's college of Engineering). Dr. Caroline Geetha (Blood Bank Medical Officer, Kanyakumari Medical College) enlightened the students about the importance of donating blood. Faculty members were also present at the occasion.

The activity of blood donation was started by faculty of Stella Mary's, NSS volunteers & YRC volunteers of Stella Mary's thereafter other donors joined the event. There was an overwhelming response from students and other donors a total of 55 units were collected in the camp. Some of the donors who could not donate this time were assured for donation in the next camp. A Certificate of appreciation, donation card, and refreshment was given to each donor as a token of gratitude.

## Stella Mary's Supports national blood donation campaign

September 3 /2016

### **Speech by Dr.Caroline Geetha**

Stella Mary's College of Engineering students took part in a blood donation drive at its headquarters, where the Kanyakumari Medical College (KMC) mobile unit was deployed.

Students from all Departments turned out to give blood during the one-day initiative in order to show their support for the blood donation campaign launched by KMC in response to the growing demand for blood, according to the statement from the District Collectors office.

### **Volunteer Student Participant**

Dr. Caroline Geetha said: “Voluntary blood donation is extremely important and we were proud to see a large number of students coming forward visit the mobile blood donation unit. We wanted to get behind this campaign to encourage blood donation as well as do our part to benefit the lives of patients” .She also spoke about the experience, saying: “I would encourage people to donate blood – it doesn’t take long and isn’t painful. The blood donation mobile unit also makes it very convenient”.
