| 6. Mr.Starlin Deva Prince | Assistant Professor/Mechanical |
| 7. Ms.M.Mini Margaret | Assistant Professor/S&H |

Mrs.R.Reena Daphne, the IQAC welcomed the members for the meeting. The agenda of the meeting was reiterated to them. The work done to steer the targets in the Department in last semester was appreciated and asked to continue in an active way in this semester too.

1.01 THE APPRAISAL OF THE FINAL ACTION PLAN FOR THE SEMESTER

Mrs. R. Reena Daphne, the Coordinator of IQAC, delivered the action plan framed. It was told about the introduction of OBE into the system and its purpose. Also the suggestions given by the experts were appraised. The final action plan for the semester was delivered to the steering committee (Annexure 1) .It was told that it would be forwarded to the Heads for further follow up action.

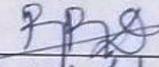

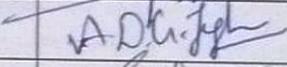

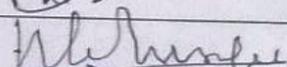

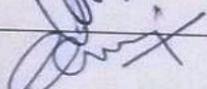

1.02 INSTRUCTIONS TO STEER THE TARGETS IN THE DEPARTMENT

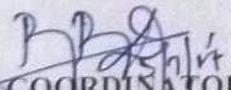

The coordinator also insisted the committee to remind the targets to be achieved as done last semester and that the plan has to be carried out with utmost effort. Instructions were given to submit the ratification reports on time without fail by the semester end, and that the non-conformities in the last semester must be ratified.

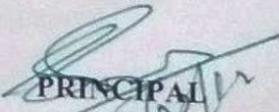

The committee members came up with a suggestion that the audits may be done in the quality aspect from the IQAC's side rather than only looking into the numbers of the target achieved. This may be kept in the action plan are going to be executed.

The coordinator thanked everyone for their efforts and support till now and the meeting came to an end.

1.01 APPRAISAL OF THE ACTION PLAN FRAMED

The Coordinator of IQAC presented the framed IQAC action plan for the semester. The action plan for the previous semester was recalled with the execution of the same. It was told that the same action plan with the inclusion of the suggestions that would be put forth in the meeting would be implemented. The action plan was then appraised as follows.

It was told that Outcome Based Education is a flexible, empowerment-oriented approach to learning. It aims at equipping learners with the knowledge, competence and orientations needed for success after they leave institution. So, when quality is the focus it was told that from this semester onwards quality initiatives have to be introduced in the system in steps that would be outcome based. It was told that when applying for further accreditations too it would be useful. In connection to this, in addition to the previous year's action plan parameters the following would be introduced:

1. OBE in evaluation system
2. Internal Audit

It was told that, the internal audit would be done for all the Department files and for the course files.

Dr.A.Albert Raj, Principal/DMI Engineering College, asked to focus green initiatives that can be followed to make awareness among everyone in the campus and it would help to develop citizens following green practices wherever they are placed in future.

Mr.Jebresh Isaac, told that the industry linkage with the institution would help in creating venues for the students for employment and that should be a point of focus from now on.

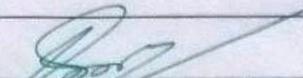

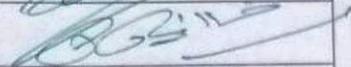

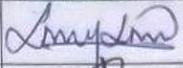

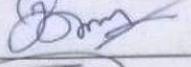

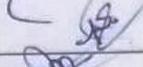

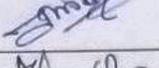

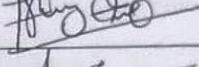

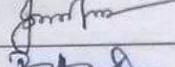

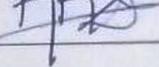

The board collectively approved the suggestions put forth

1.02 SUGGESTIONS IF ANY, BY THE FORUM

The internal members in the board suggested that clubs and associations have to be vibrant with outcomes.

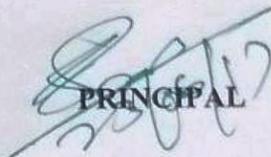

Mr. M.R.Saravanan, HoD/EEE, delivered the Vote of Thanks.
