

VISION

To produce computer science professionals who can accomplish path breaking solutions for a better society, through quality technical education on gaining their required interpersonal, entrepreneurial and computing skills.

MISSION

- To impart a holistic and experiential learning experience by making use of innovative teaching methodologies.
- To provide optimal technology solutions through collaborative and lifelong learning for industry and societal needs with universal ethical values.
- To nurture leadership skills and facilitate various co-curricular and extra-curricular activities to implant the spirit of entrepreneurship.
- To provide industry-institute-interaction opportunities in order to motivate inter disciplinary research capabilities with an inquiring mind

PROGRAMME EDUCATION OBJECTIVES (PEOs)

PEO1: Graduates will be competent in creating innovative technologies through inter-disciplinary research and comprehensive skills set that are suitable for the global computing industry.

PEO2: Graduates will be capable of managing leading positions with a broad understanding of the applications of the ethics in evolving computer-based solutions for the social needs.

PEO3: Graduates will imbibe entrepreneurial qualities and develop their career by upgrading their communication analytical and professional skills constantly.

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

FDP/STTP attended by Faculty members

- Three days Faculty Development Program on "Digital Trends in Industry 2.0" on 8-6-2020 to 10-6-2020 organized by Department of Computer Science and Engineering in association with ICT Academy.
- Mr.A.Selva Reegan and Mrs.S.Mamitha of our department participated in a five days FDP on "Artificial Intelligence" held on 22-05-2020 to 26-05-2020 organized by Thirumala Engineering College,Hydrabad.
- Mrs.A.Aldo Tenis of our department participated in five days FDP on "Emerging Trends in IT" organized by Karpagam College of Engineering on 27th June 2020.
- Mrs.S.Mamitha of our department participated in three days STTP on "Online Short-Term Course on Basics of IOT" organized by IQAC, Maha Lakshmi College of Arts and Science on 18-05-2020 to 21-05-2020.
- Mr.C.Bastin Roger of our department participated in six days STTP on "Block Chain and its Applications" organized by Department of Information Technology, Christian College of Engineering and Technology on 10-06-2020 to 15-06-2020.
- Mr.C.Bastin Roger participated in AICTE sponsored STTP on "Teaching Practice on Helping Slow Learners to Bring out their Hidden Skills" organized by Tamilnadu College of Engineering on 27th July 2020.

Webinar attended by Students

K.Lakshmi Prabha of second year participated a Webinar on "DEVOPS" organized by Star Certification on 11th May 2020.

J.Shaksiya Brindha Mol of second year CSE participated in a Webinar on "Data Science for Engineers" organized by Sri Eswar College of Engineering, Coimbatore on 13th May 2020.

J.Shaksiya Brindha Mol of second year CSE participated in a Webinar on "Artificial Intelligence and Machine Learning" organized by Sri Eswar College of Engineering, Coimbatore on 14th May 2020.

All the students of Computer Science Department have attended One Day Live Webinar on "Employability Skills for the Future" presented by Mr. Daniel Jacob, Vice President, HR EC Group International on 20th May 2020.

Students attended one day Live Webinar on "Data Science and its Applications" presented by Mr.Dilip Muralidaran, Senior Technical Instructor, Splunk on 9th June 2020.

Students attended one day Live Webinar on "Internet of Things" presented by Mr. Solomon Ashok, Director, Splendio Technologies on 18th June 2020.

Students attended one day Live Webinar on "Explore Yourselves in Real time Projects" presented by Mrs. Sandhi Durairaj on 18th June 2020.
